

STEM TOURS USA

FROM \$4500pp

Suggested locations:

FLORIDA / CALIFORNIA

10 - 14 Day flexible itineraries

Engage your students to learn at the hub of technology in California. Explore Silicon Valley and visit locations of startups such as Google and Apple. Tour local businesses with access to industry experts. Travel to Orlando and visit Kennedy Space Centre. Experience hands on simulation activities and enjoy an Astronaut Encounter and briefing.

Ask our friendly staff about accommodation options and meal inclusions.
